our history

the sun dial restaurant, bar & view was established in 1976 atop the westin peachtree plaza, the tallest hotel in the western hemisphere. the westin peachtree plaza is 723 feet (220 meters) tall and 188 feet (57 meters) in diameter. stone mountain is just 20 feet (6 meters) taller at its highest point than the westin peachtree plaza. there is 230,000 square feet (21,367 square meters) of glass in the building, allowing views of the city from every room.
